

## Business for Sale Form

Montana does not have a Business Broker Association, and the Big Sky Country MLS does not permit Brokers to enter Business for Sale listings on the MLS. This form gives Brokers the opportunity to promote their listings on the Big Sky Country MLS website.

<b>Agent Name:</b>	<b>Agent Office:</b>
<b>Listing Date:</b>	<b>Expiration Date:</b>
<b>Business for Sale Name:</b>	<b>Price:</b>
<b>Business for Sale Address:</b>	<b>City:</b> <b>State:</b> <b>Zip:</b>
<b>Description to Appear on Website:</b>	

☐ By checking this box, I, as the listing agent, understand that if the property goes under contract or is sold, I must notify the BSC MLS Office. I also understand that all Business for Sale listings will be automatically removed from the Big Sky Country MLS website after one year from the listing date.
